Summer 2019

Editor's Corner

Dear VCC Members,

I hope everyone has been surviving this summer's hot and humid weather, in anticipation of a pleasant Fall ~ hopefully not too far out in our future.

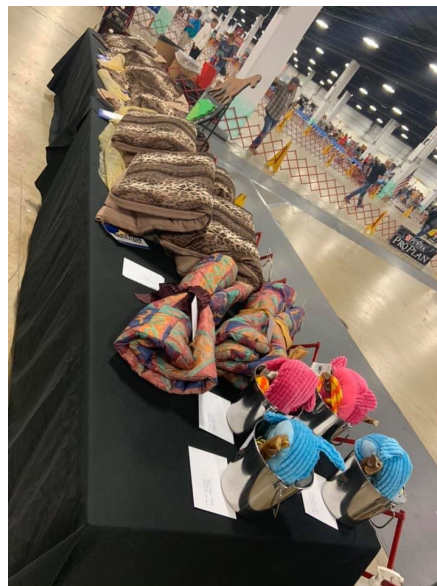

I know it's been awhile since our last newsletter; my apologies, as life outside our red head community threw a few curve balls at me over the past twelve months which got me side tracked on many things. Now, back to my publishing responsibilities!

The VCC supported the conformation entry at the recent Greenville, SC shows last month. Thank you to all who volunteered to help to make the event a success ~ from set up to tear down, to donations and trophy sponsorship. And now we get to do it again in a month at our annual Indian Summer specialties. We will also be hosting the 8th annual Vizsla Futurity—Maturity Show, East Coast. Details of these events are inside the newsletter, and can also be found on our [website at www.carolinavizsla.org](http://www.carolinavizsla.org)

Entries for these events close soon ~ September 4th, so don't let the time slip away ~ enter now!

Hope to see you all there.

Raffle & Silent Auction Fund Raisers

VCC Members & Friends,

We had a great turnout last year with a large variety of auction items. We are asking for your support and donations again this year. Your donations do not have to be dog related. You can support the fund raiser by having donations sent to me or bring them to the Specialty.

If you plan to bring your donation(s) to the Specialty, please let me know ahead of time what it is, the value and perhaps sent a photo. This was very helpful last year because it allowed me to have the auction bid sheets printed up ahead of time.

Please try to have all items or information to me by 17 September or before. This will allow adequate time to get everything ready, as I will be helping out with other tasks at the Specialty.

Thank you very much for your support and assistance in making this auction a success.
