

The VCC is excited about our fall fun field day 2020.

It will be held on Sat. Nov. 21, 2020 at the beautiful home and property of Steve and Jane Robbins in Yadkinville, NC.

Again this year we are offering Snake Avoidance training IF there is enough interest. **(At this time there are NOT enough dogs signed up so let me know ASAP if you want to bring any and have not already notified me. If you already signed up no need to respond again. If you have anyone that may be interested please share)**. Please contact me ASAP so I can keep a list of those interested. Pre-payment or deposit may be required. There will be bird introduction and field time with or without a pro trainer. **Space is limited for field work with Brett Martin's assistance. Please sign up ahead of time** with number of dogs and level of field work you want to practice at, and/or how many birds.

As always we will be having lunch and fellowship. Lunch will be soups and sandwiches and assorted additions😊. Please sign up if you plan to eat and how many people. You are welcome to bring anything you like to share.

We will have a club meeting during the lunch break

Lunch will be \$5 per person.

Training with Brett is \$15 per dog and includes one bird.

Additional birds at \$3.50 each (let us know how many)
