First discussion was on the premium for the July supported entry and the need for trophy sponsors. Info must be turned in by May first to be printed in the premium. Supported entry in July in Greenville on Sat. Then we discussed that soon after this we needed the info ready for the Sept specialties and trophy sponsors. Trophies still need to be purchased and list created. I will get that our after nationals.

The VCC is putting together a NC/SC themed basket for the raffle/auction at nationals. Donations needed. Prefer items made in NC/SC or representing the 2 states.

The VCC will host the Wed afternoon hospitality room at nationals. The theme is tailgating in the Carolinas. Any donations of decorative school logo'd items are welcome. A few food items and drinks still need filling. Contact Beth at [beth@lexhealth.org](mailto:beth@lexhealth.org) if you would like to contribute something. Food will be NC/SC BBQ's for sliders, chips and beer. Wings will be ordered from a local place. If you bring meat please bring a crock pot if you can. If not let me know and I'll see if I can get extras.

I turned the floor over to our guest speaker, Betta Breuhaus DVM. She presented a first aid how to for us mainly geared towards field accidents but also included snake bite treatment, how to stock a first aid kit, etc. She sent us the documents and they have been emailed to the membership and posted on the website.

Meeting adjourned at 2:36 pm
