First order of business was to announce that the 3 positions up for re-election are Treasurer, 1 year director and VP. All three people currently holding those positions wish to remain in them so the proposed slate put forth by the board in lieu of a nominating committee is Ed Foster – treasurer, Karen Beckwith 1 year director, Paula Murphy - VP. Nominations may now be made with the agreement of the person being nominated and a bio between now and our next meeting (July 28, 2018) at which time the nominations will close.

We will have a supported entry in conjunction with the July shows in Greenville on Sat. All trophies have been sponsored.

Quick mention of trophy sponsors needed for the Sept specialties. We have a good start but need a lot more.

Newsletter deadline is June 13. Send in your brags from nationals and any articles of interest you may have.

Meeting adjourned at 1:02 pm
